NAHJ 2026 Election-
Nancy Preyor-Johnson

Candidate Statement

Serving as your NAHJ Vice President of Print has been one of the greatest honors of my career. I am seeking reelection because I believe NAHJ's work has never been more important, and I remain committed to helping our organization grow stronger for current and future members.

Since joining NAHJ's Executive Board in 2023—first as Region 5 Director and now as Vice President of Print—I have made NAHJ board service a priority while balancing the demands of my full-time work as a journalist. I believe our members deserve engaged leaders who listen, communicate and follow through.

If reelected, I will continue working to expand partnerships and revenue that strengthen NAHJ and sustain scholarships, professional development, networking and advocacy. I also want to build more resources for journalists facing layoffs or career transitions by connecting them with mentors, training and job opportunities.

I remain committed to defending press freedom and advocating for journalists at a time when shrinking newsrooms, barriers to public access and increasing threats continue to challenge our profession.

I am proud of the progress we've made together, but important work remains. I would be honored to continue serving our members, strengthening our organization and helping ensure NAHJ remains a strong voice for journalists nationwide.

Thank you for your consideration and your support.
