Purpose

This manual is meant to guide the Elections Committee, board candidates, and voters through the NAHJ elections process. It draws from NAHJ's bylaws, staff experience and recommendations from NAHJ's attorney. Where necessary, the manual codifies practices to be used by the Committee when identifying and vetting candidates for board eligibility, and rules of conduct for candidates, voters and the Committee during the elections period; and the basic duties of those elected to the board.

About the 2023 Elections

The 2023 NAHJ elections will take place electronically between July 1 and July 15, 2023, coinciding with the 2023 NAHJ Convention and Career Fair taking place from July 12-15, 2023 in Miami.

To take part in the 2023 elections as a candidate or voter you need to have a paid NAHJ membership valid on Monday, May 15, 2023.

The NAHJ elections committee, composed of NAHJ board members appointed by the president as stated in the bylaws, will oversee candidate vetting, the elections process and publication of results.

Members can get more details about the 2023 elections and submit their candidate nominations online by visiting the **2023 NAHJ Elections hub**: <https://nahj.memberclicks.net/elections2023>

There are 8 regional director positions and a student representative position up for election this year:

Each Regional Director is the board liaison for members living in the specified states (see below). They should keep abreast of the concerns and activities of the individual members, and professional and student chapters in their region. The regional directors shall also advise on programming for their members, and attempt to organize regular regional get-togethers, whether conventions, training or some other activity.

- Region 1 Director: Caribbean -- Puerto Rico, Virgin Islands
- Region 2 Director: Northeast -- Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, Vermont
- Region 3 Director: Mid-Atlantic -- Delaware, Kentucky, Maryland, Pennsylvania, Virginia, Washington D.C., West Virginia
- Region 4 Director: South -- Alabama, Florida, Georgia, Mississippi, North Carolina, South Carolina, Tennessee
- Region 5 Director: South Central -- Arkansas, Louisiana, Oklahoma, Texas
- Region 6 Director: Midwest -- Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Montana, Nebraska, North Dakota, Ohio, South Dakota, Wisconsin
- Region 7 Director: Southwest -- Arizona, Colorado, Nevada, New Mexico, Utah, Wyoming
- Region 8 Director: Pacific -- Alaska, California, Hawaii, Idaho, Oregon, Washington

Student Representative:

The Student Representative is the board liaison for NAHJ's student members. They should keep abreast of student member concerns and activities and relay them to the board, and advise on programming for student members and other courses of action.

Board Terms

All board members, with the exception of the Student Representative, serve two-year terms. The Student Representative serves a one-year term.

Regional Directors are elected every two years at the Annual Convention in odd years.

In the event of a resignation from the Board, the remaining Board members may appoint a successor to fulfill the remaining term. Vacancies that are not the result of a resignation must be filled through an election, whether regular or specially-held.

Candidate Eligibility Requirements

Each candidate for an open NAHJ Board position must meet certain criteria, as laid out in the organization's bylaws, both to run for office and to serve on the Board. A copy of the bylaws can be found on the [NAHJ Website](#).

An Elections Committee (see page 6) will vet each candidate to ensure that they are eligible to run for office and serve on the Board. In order to perform that duty, any NAHJ member interested in running for the Board is asked to provide the Committee with a current resume; contact information for their current employer or, for those running for Student Rep, their university registrar; and contact information for one professional or academic reference (preferably, NAHJ members) at the time that they decide to run.

The Elections Committee will use this information to verify that each candidate meets the requirements to hold a seat on the Board, and that the candidate is able to perform Board duties. Please expect that the Elections Committee will call your employer.

In the event that the Elections Committee finds that a potential candidate is not eligible for office, that candidate will be notified immediately and, if possible, given the opportunity to meet the necessary qualifications.

The criteria to run and serve in each position are summarized as follows:

Regional Directors:

Regional Director candidates need to be REGULAR or ACADEMIC members with a current, paid membership to qualify for the ballot, and must live or work in the region they represent. To qualify, each candidate needs a petition with 10 signatures of support from members with paid memberships within their region. Candidates must be working journalists, defined as earning 51 percent or more of their income from practicing journalism or its instruction.

Again, the regions are:

- Region 1 Director: Caribbean -- Puerto Rico, Virgin Islands
- Region 2 Director: Northeast -- Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, Vermont
- Region 3 Director: Mid-Atlantic -- Delaware, Kentucky, Maryland, Pennsylvania, Virginia, Washington D.C., West Virginia
- Region 4 Director: South -- Alabama, Florida, Georgia, Mississippi, North Carolina, South Carolina, Tennessee
- Region 5 Director: South Central -- Arkansas, Louisiana, Oklahoma, Texas
- Region 6 Director: Midwest -- Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Montana, Nebraska, North Dakota, Ohio, South Dakota, Wisconsin
- Region 7 Director: Southwest -- Arizona, Colorado, Nevada, New Mexico, Utah, Wyoming
- Region 8 Director: Pacific -- Alaska, California, Hawaii, Idaho, Oregon, Washington

Student Representative:

Candidates must have a paid STUDENT MEMBERSHIP, and must have demonstrated an interest in broadcast, print or new media journalism, including taking media-related classes or working for a student media outlet. They must gather 25 signatures of student members with a current, paid membership and be a FULL-TIME student at a recognized and accredited college or university. Moreover, the student must REMAIN a full-time student at a recognized and accredited college throughout his/her tenure.

Please note that candidates are allowed to include their own signature to qualify for the ballot.

Elections Committee

The Elections Committee is a group of NAHJ board members appointed by the president as stated in the bylaws to oversee candidate recruitment and vetting, the elections process, and publication of results. The committee is expected to identify potential candidates, help those members through the qualification process and campaigning, and oversee voting and verification of election results.

At the start of the elections process, the Committee will put out a call for nominations and a list of candidate requirements. The committee will also publish an elections timeline, which will set dates for candidates to qualify for the ballot, for potential voters to renew or verify their membership, and for the opening and closing of the polls.

The 2023 elections committee is composed of:

- Nora Lopez- committee chair, nlopez@nahj.org
- Jamie Stockwell, jstockwell@nahj.org
- Julio-César Chávez, jchavez@nahj.org
- Blanca Rios, brios@nahj.org

Candidate Qualifications and Vetting

Any NAHJ member who wants to be considered for a position on the board must be a member in good standing, with dues paid and must meet the criteria of the position for which they are running, as described above and in NAHJ's bylaws. Candidates' qualifications - including employment or student status - will be verified by the Elections Committee.

Qualifying for the ballot:

In order to qualify for the ballot, potential candidates must provide the Election Committee with the required number of signatures from paid members by the scheduled deadline and must pass the candidate vetting process. Current NAHJ members can submit their nominations and signatures via an [online form on the 2023 NAHJ elections hub](#).

Vetting process:

The Elections Committee will screen candidates and present the final slate to members for voting.

To facilitate the screening process, candidates are asked to provide:

1. A current resume
2. Contact information for your supervisor or manager to confirm employment

In the case of the Student Representative, candidates should provide:

1. A current resume
2. Contact information for one academic reference who can confirm the student's interest in journalism
3. Contact information for their school's registrar to confirm enrollment

The Elections Committee will use this information to verify that each candidate meets the requirements to hold a seat on the Board, and that the candidate is able to perform Board duties.

Please expect that the Elections Committee will call your employer, professor, or school.

In the event that the Elections Committee finds that a potential candidate is not eligible for office, that candidate will be notified immediately and, if possible, given the opportunity to meet the necessary qualifications.

Candidates who qualify for the ballot will be asked to provide following, due **Monday, June 12**:

1. A headshot
2. A 250-word bio
3. A 250-word candidate statement to be disseminated to members when the slate is announced.

Policy for Elections Committee Members on Candidate Signatures:

The Elections Committee is an appointed body that helps find candidates, and vets their qualifications for the NAHJ Executive Board. To ensure a fair elections process, the Committee strives for independence, and, in nearly all cases, its members will refrain from lending their signatures to help a potential candidate qualify for the ballot.

However, if the Committee determines in an election year that (1) too many seats might remain vacant, and (2) that the majority of potential candidates are in danger of not qualifying for the ballot due to a lack of member signatures, the Committee will authorize its members to lend their signatures to all potential candidates that they are individually qualified to sign for (i.e., in such a case, an Election Committee member must sign for all potential officer candidates, and all potential regional candidates for the region in which the Committee member resides). The Committee members' signatures will not constitute an endorsement of any candidate, nor will they mean that a candidate's qualifications for office have been vetted and confirmed by the Committee.

Campaigning:

Candidates will be given two opportunities to send a campaign message to our membership. In order to ensure that NAHJ members are not spammed, the emails will be sent by NAHJ staff. Candidates must turn in their first message of no more than 250 words to the election committee by June 16. The second message of no more than 350 words is due to the election committee by June 30.

Candidates may campaign through other means, including informational fliers, campaign buttons, Facebook fan pages, blogs, and videos uploaded to a social media site.

Write-Ins:

There will be a blank space on the ballot for write-in candidates. Any qualified NAHJ member may run a write-in campaign but will be subjected to the same vetting process and standards as candidates officially named on the ballot. A write-in candidate will not be allowed to sit on the board unless they pass the screening process.

Write-in candidates will be subject to the same rules of campaigning as those named on the ballot. Write-in candidates should make their intentions known to the elections committee, and after proper

vetting will be allowed to send one direct email to members. The message must be no more than 350 words and due to the election committee by June 30.

Voting:

NAHJ members in good standing, with dues paid, by the date May 15, 2023 will be eligible to vote electronically and the vote will be sent to the Elections Committee. Each member may cast one ballot and must do so by 5 p.m. on the days the polls close. **Important note: The 2023 elections will be held entirely electronically as they have been done in previous years.**

Because the electronic voting system is disabled automatically by the company that NAHJ uses to prepare and tally the ballots, voters are strongly urged to cast their ballots early. Voters in-line at the Convention voting booth who have not cast a ballot when the polls close cannot be accommodated.

Further information about these deadlines and requirements:

Call for nominations and candidate requirements:

The Elections Committee should put out a call for nominations and publish a list of open seats and candidate requirements no less than one month (30 days) before the deadline to qualify for the ballot.

Interested NAHJ members should notify the Elections Committee as soon as possible of their desire to run for office.

Deadline for qualifying for the ballot:

Signatures from members in good standing meant to help potential candidates qualify for the ballot must be received by the Elections Committee -- preferably sent to the Committee chair -- before midnight (11:59 pm) on June 10, which the committee here defines as the 35-day preceding the scheduled closing of the polls.

Deadline for candidates to send in their vetting materials:

Candidates must turn in their vetting materials, headshot, bios, and candidate statements to the Elections Committee within one week (7 days) of qualifying for the ballot. Failure to do so will delay candidates' screening and ballot preparations, and will be taken by the Committee as a candidate's withdrawal from the race unless the Committee is notified of a potential problem before the deadline.

Deadline to become a member in good standing:

NAHJ members must be members in good standing, with their dues paid, on the same date that candidates' vetting materials are due. This is because the company that NAHJ uses to prepare and tally its electronic ballots needs several weeks to create those ballots and make them accessible to eligible voters.

Deadline to request a paper or absentee ballot:

Eligible voters must request a paper ballot at least one week (7 days) prior to the opening of the polls.

Paper ballots should be sent to the Elections Committee.

Scheduling the opening of the polls:

The committee has determined that the polls should be open for no less than two weeks, in order to give all members -- whether voting electronically, in person, or by absentee -- enough time to cast their ballot.

Scheduling the closing of the polls:

The committee has determined that the polls should close at 5 p.m. ET on the night of the Annual Convention's Hall of Fame Gala, this year taking place on July 15. This will be done electronically by the company NAHJ uses to prepare and tally Ballots.

BALLOT COUNTING AND ELECTIONS RESULTS

The Elections Committee will verify the election results, under the watch of the Executive Director and any candidate who wishes to be present. Results are to be announced at the annual convention's Hall of Fame Gala.

Post-election:

Candidates elected to Board of Directors **ARE REQUIRED TO ATTEND THEIR FIRST BOARD MEETING ON THE SCHEDULED DATE FOLLOWING THE CLOSE OF THE ELECTIONS.**

By the Fall Board meeting, all Regional Directors should have identified an alternate, as required in the bylaws, who can serve in case of their absence. Those alternates will also be placed on a list of potential future board candidates kept by the Elections Committee. All other board members are also asked to identify a potential successor to be added to the Elections Committee's list.

Questions & Concerns

If a candidate or voter has a question or concern about the election, they should email the elections chair and copy the president.
